

### **RULES FOR I.D. ASSIGNMENTS**

1. Mark each assignment with a paper clip placed horizontally at the top of the right-hand side of the page.
2. Date each assignment on the top of the line at the right-hand side of the page.

### **RUBRIC FOR I.D. ASSIGNMENTS**

- |        |                                                                                                                                                                                                                                                                                                                                                                     |
|--------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 9 – 10 | <ul style="list-style-type: none"><li>* contains considerable specific, accurate, and relevant information to support the thesis</li><li>* demonstrates an understanding of historical terms and events that shows sophistication and an awareness of the complexities of studying history</li><li>* paper clip and date placed in the upper right corner</li></ul> |
| 7 – 8  | <ul style="list-style-type: none"><li>* contains some specific, accurate, and relevant information to support the thesis</li><li>* demonstrates an adequate understanding of historical terms and events</li><li>* paper clip and date placed in the upper right hand corner</li></ul>                                                                              |
| 5 – 6  | <ul style="list-style-type: none"><li>* contains little specific, accurate, and relevant information; too many generalizations</li><li>* demonstrates an inadequate understanding of historical terms and events</li><li>* paper clip and date placed in the upper right hand corner</li></ul>                                                                      |
| 3 – 4  | <ul style="list-style-type: none"><li>* paper clip or date not found in the upper right hand corner</li><li>* contains some specific and relevant information to support the thesis</li><li>* demonstrates an understanding of historical terms and events</li></ul>                                                                                                |
| 1 – 2  | <ul style="list-style-type: none"><li>* paper clip or date not found in the upper right corner</li><li>* contains little or no specific or relevant information to support the thesis; too many generalizations</li><li>* demonstrates an inadequate understanding of historical terms and events</li></ul>                                                         |
| 0      | <ul style="list-style-type: none"><li>* blank or not turned in</li></ul>                                                                                                                                                                                                                                                                                            |
